Oh, My!

Electronic Record Keeping is Coming!

Come to UCLA and learn about the perils, pitfalls AND great opportunities of the technology from a panel of experts:

Anne J. Gilliland, PhD, Professor and Chair, UCLA Department of Information Studies (Current environment and challenges surrounding electronic records management)

Mahnaz Ghaznavi, Records Manager, Getty Research Library, J. Paul Getty Trust, and Policy Cross-Domain Team of InterPARES 2 Research Project (Experience and lessons learned in the real world)

Jean-François Blanchette, PhD, Assistant Professor, UCLA Department of Information Studies (Digital preservation challenges and issues)

Cathy Westfeldt, CRM, U.S. National Archives and Records Administration, Pacific Region (NARA's efforts to address digital records management in the Federal Government and beyond)

Friday, June 8, 2007   **UCLA Campus**
9:00 a.m. – 12:30 p.m.   **Covel Commons**
Cost: FREE (Register by May 25)
